

Origami Cat Instructions

Origami is the Japanese art of making shapes and figures out of pieces of paper - you can even make animals. Follow the directions below to make your very own origami cat!

Instructions:

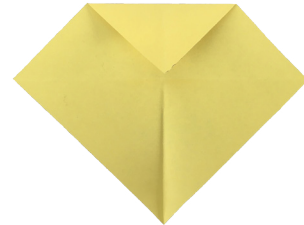

- 1 Start with two squares of paper, one slightly larger than the other.

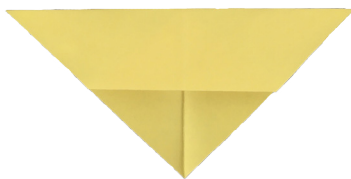

- 2 Take the smaller square and fold it in half left to right.

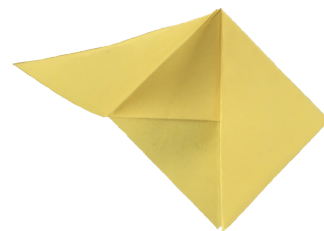

- 3 Next, fold the square in half the opposite way, top to bottom.

- 4 Fold the top corner of the paper down so the point is touching the centre.

- 5 Next, fold the paper down the middle.

- 6 Fold the right and left corners to the bottom point to form a square.

Origami Cat Instructions

Origami is the Japanese art of making shapes and figures out of pieces of paper - you can even make animals. Follow the directions below to make your very own origami cat!

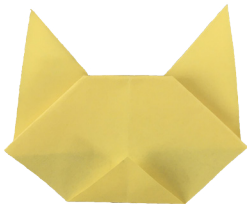

Instructions continued:

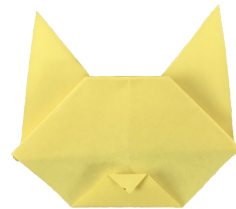

7 Fold the top flaps upward to make your cat's ears.

8 Fold the point in the middle of the ears down.

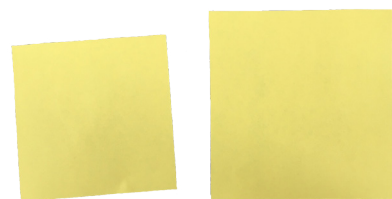

9 Flip the paper over, and fold the bottom point upward.

10 Fold the tip of the front flap down, making your cat's nose.

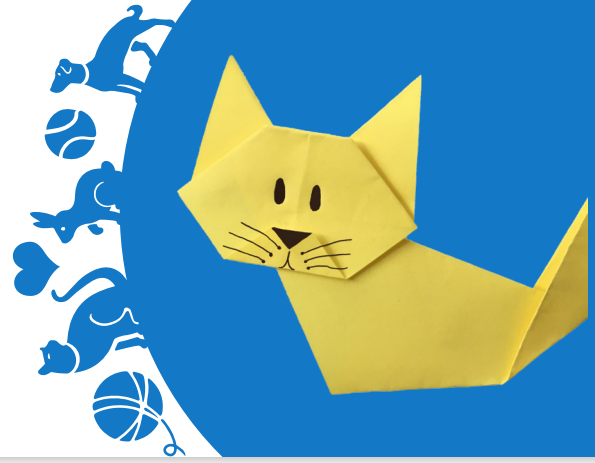

11 Draw your cat's face.

12 Next, grab the bigger square piece of paper.

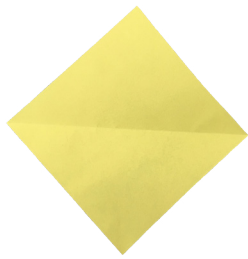

Origami Cat Instructions

Origami is the Japanese art of making shapes and figures out of pieces of paper - you can even make animals. Follow the directions below to make your very own origami cat!

Instructions continued:
